

International Project Fundraiser

BUILDING HOMES FOR AIDS ORPHANS IN MWANDI WESTERN PROVINCE ZAMBIA, AFRICA

Join with Bradley Interact Club to help raise funds to provide proper housing for these children. Many are cared for by elderly extended family members who live in grass-roofed traditional huts that fall down and are unsafe. They are in need of a house with a metal roof and solid structure. With our help, we can make this possible.

Cost of one home: \$1,000
