3. What is Interact? A service club to the school, community and world

Motto: Service above Self www.bradleyinteractclub.weebly.com

Interact is for youth ages 14-18 who want to connect with others in the community or school. The club fosters leadership and responsible citizenship and promotes international understanding and peace. The name was created by combining the words "international" and "action." Interact club members have fun while carrying out service projects and learning about the world. Interact clubs organize at least two service projects a year: one that benefits their community and one that encourages International connections. Interact Clubs are sponsored by Rotary Clubs as a program of Rotary International. As one of the most significant and fastest-growing programs of Rotary service, with more than 10,700 clubs in 109 countries and geographical areas, Interact has become a worldwide phenomenon. Almost 200,000 young people are involved in Interact.

Through their service activities, Interactors learn the importance of the following:

- developing leadership skills and personal integrity
- demonstrating helpfulness and respect for others
- understanding the value of individual responsibility and hard work
- advancing international understanding and goodwill
- hard and produce quality content, you're going to need to lead by example.
