My student has my permission to travel with the Hilliard Bradley Interact Club during the 2018-2019 school year in private transportation. I understand that my son/daughter may be riding with other Interact students who drive or with another adult, such as but not limited to, the guardian of other Interact members. They cannot be held responsible for any accident or injury that might occur.

All activities have certain inherent dangers. We are aware that they can involve risks, dangers, and hazards. The individual assumes all risks of personal injury or death or property loss resulting from any case whatsoever or negligence breach of contract or breach of statutory duty of care on the part of Bradley High School and its staff.
